New Age Danger

Dressed in new spiritual garments, the New Age caters to the many disillusioned “spiritual but not religious” seeking a path to God and who have already rejected Jesus Christ as the only way. Texe Marris reveals the smart outfit as merely the old rags of Egyptian, Babylonian, and European paganism.

Pretending to be beneficial to mankind, this religion is driven by demon-possessed individuals channelling the likes of ‘Djwal Khul’, Lord Maitreya’, ‘Ramtha’, ‘Seth’, etc. in order to manifest a Luciferian Hierarchy in the world, along with a temporary false world peace.

While the subject matter is not difficult, there is much material making this a detailed read. The dangers raised over a generation ago are now manifesting in the West; the plan to destroy Christianity is in full swing making this relevant for Christians today.

“Be ye also patient; stablish your hearts: for the coming of the Lord draweth nigh.”
