

### India in the Bible

Like all peoples alive today, Indians are descended from Noah and his sons. They survived God's flood of judgement which destroyed the pre-diluvian world:

"And, behold, I, even I, do bring a flood of waters upon the earth, to destroy all flesh, wherein is the breath of life, from under heaven...And the sons of Noah, that went forth of the ark, were Shem, and Ham, and Japheth...and of them was the whole earth overspread...The sons of Japheth; Gomer, and Magog, and Madai...And the sons of Ham;

Cush, and Mizraim, and Phut, and Canaan. **Genesis 6.17a;9.18a,19b;10.2a,6**

Cush (or Ethiopia) ruled a vast ancient empire spreading from Africa into India<sup>9</sup>. His son Nimrod married Semiramis who later became the mother goddess of all religions<sup>10</sup>. Nimrod set his face against the Lord, conspiring at Babel with his one world government.

c2400BC, Madai founded what became the Medo-Persian Empire which conquered the Babylonian Empire. Today it is the nation of Iran (Persia). The Madaians also pushed eastwards reaching **India**.

The kings of this Empire: Cyrus, Darius and Artaxerxes<sup>11</sup> all confessed the God of Noah as the God. The great King Ahaseurus reigned over a domain of **127** provinces, from Ethiopia unto **India**<sup>12</sup>.

Witness to the living God extends in India from BC, to AD with the Apostle Thomas. He was an eye-witness of Christ's life and only believed the resurrection after handling Jesus' spear, and cross-wound scars. According to tradition he brought the gospel there (perhaps via Parthia<sup>13</sup>) and was murdered in Mylapore c72 by Kali devotees.

#### To The UNKNOWN God

Like the ancient Greeks, Hindus ignorantly worship the living God. Brahman the Creator, Vishnu the Preserver and Shiva the Destroyer, and the many other devas are in reality devils, under the command of the Devil. He desires to hinder you finding Jesus, God in the flesh, whose blood can wash away sins saving you from damnation:

"That they should seek the Lord, if haply they might feel after him, and find him, though he be not far from every one of us:" **Acts 17.28, AV**

"THOU SHALT HAVE NO OTHER GODS BEFORE ME"

Exodus 20.3

A panentheistic<sup>1</sup> religion with Brahma (also Vishnu or Shiva) as God. You (the self, or the 'atman') are part of God and all that is seen ('maya') is an illusion. 'Salvation' is earned by attaining self-knowledge ('atma-jnana'), knowing that *you* are God. Eve, the first woman in the world was taught the same thing by the devil:

"For God doth know that in the day ye eat thereof, then your eyes shall be opened, and **ye shall be as gods, knowing good and evil.**" **Genesis 3.5**

The Vedas (Rig-c300BC, Yajur, Sama and Atharva), Upanishads and Vedanta are primary texts ('sruti' or inspired). The Puranas and Bhagavad Gita writings ('smriti' or tradition) are used for interpretation and worship of god takes many forms.

One highly favoured goddess is Kali. She is the same mother goddess worshipped across many places and times: Semiramis in Shinar, Osiris in Egypt, Ashtoreth in Canaan, Diana in Greece, Cerridwen in Britain and the Queen of Heaven ('Virgin Mary') in Catholicism. She requires blood sacrifice-this has inspired devotees to murder<sup>2</sup>.

Another god is Hanuman (left), an ape-like humanoid. Some see him as an avatar<sup>3</sup> of Lord Shiva (right), the blue-skinned trident-bearing form of God. He is the same god as Poseidon.

In 1999, Manoharpur village, Orissa State, India, Dr. Graham Staines and his two sons were trapped inside their car and burnt alive by devotees of Hanuman. They were of Bajrang Dal, a Hindutva nationalist group. Graham's work was translating the Bible for the people to read and caring for lepers.<sup>4</sup>

In 2008, also in Orissa State up to 500 were killed in anti-Christian violence by Hindutva groups, a response to the murder of Laxmananada Saraswati by Indian *Communists*. Thousands had homes and churches destroyed, and fled to the jungle.<sup>5</sup>

### Light of the World

Deepavali is the five-day celebration of good's triumph over evil, held towards the end of each year. This *artificial* light has no real power over the darkness, unlike Jesus who *is* the true light:

"Then spake Jesus again unto them, saying, I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life." **John 8.12**

<sup>1</sup>One deity over any/all others, the creator of the universe who also exists *inside* it at the same time.

<sup>2</sup>In 2000, a woman hacked her two young children to death for 'divine blessings': abcnews.go.com/International/story?id=82089&page=1#\_U1KBC2crVK0, 20.10.12. damninteresting.com/the-thugs-of-india/ <sup>3</sup>An avatar is a physical manifestation of a god <sup>4</sup>bsresources.org/articles/staines.shtml, 20.10.12 <sup>5</sup>opendoorsuk.org/campaign/orissa.php, 20.10.12

### Divine Caste System

Purusha Sukta tells how Brahma sacrificed a primeval body (the Purusha) to create the world. Four parts became the castes ('varnas') of men, feet being the lowest:

Varna	Part	Destiny
Brahmins	Mouth	Priest, scholar, teacher.
Kshatriyas	Arms	King, prince, judge.
Vaishyas	Thighs	Merchant, farmer.
Shudras	Feet	Servant, labourer.

One group, the Dalits ('Untouchables') did not come from Purusha and so became the filth of society.

Man is not descended from Purusha's members, but the first person Adam. As genetic descendants his blood flows through each person's veins today<sup>6</sup>. Social status is a man-made tradition, destroying the spirit of the lowly but also sending strong delusion to the 'superior' classes. All are found guilty before God, but saved equally through Christ:

There is neither Jew nor Greek, there is **neither bond nor free**, there is neither male nor female: for ye are all one in Christ Jesus. **Galatians 3.28**

All castes are levelled by the same enemy, *death*. Straightway all will enter either paradise or hell, kept for judgement by the incorruptible God: "...Of a truth I perceive that **God is no respecter of persons**". **Acts 10.34b**

Said Jesus: "the word that I have spoken, the same shall **judge** him in the last day." **Jn 2.22** Suppose death is not the end, as has happened many times before your 'self' will be 're-born' until 'nirvana' is attained. Does this fit with common sense?

Evil doers will 're-birth' in a **lower** caste (if human). They will have no memory of past wrongs to correct so start again worse off. This next life is now also likely to end badly-Karma is terminal to the soul.

Even the thought of potentially **infinite** lives needed to attain Nirvana is daunting. In the face of life's struggle death becomes a welcome escape from life. Jesus said those who love death hate him.

The death and resurrection of Jesus Christ is known from eye-witness testimony found in the New Testament<sup>7</sup>. No proof is available for any reincarnation, it must be taken on trust. Individual accounts can be falsified though when two or more claim the **same** past life, or recall people and events that **never existed**<sup>8</sup>.

India, as a centre of Hinduism is the fruit of millennia of accumulated wisdom and moral progression from reincarnated souls. Despite this, moral, scientific and material prosperity are hallmarks of *Western* civilisation, solely because of their (dead) *Christian* roots.
