According to the Oxford dictionary, the word 'conspiracy' simply means "A secret plan by a group to do something unlawful or harmful." From the beginning of time men have sought power over others using whatever means available, including deception.

Many conspiracies are easily verified: Assassination of Julius Caesar ('Ides of March') (44BC); Donation of Constantine (778); Jesuit Treason (1605); the Mafia (1860); Piltdown Man hoax (1912); Sinking of the Lusitania (1915); Munich Agreement ('Peace for our time') (1938): Manhattan Project (1942-1946); Gulf of Tonkin (1964 trigger for [hot] Vietnam War); Tobacco companies, smoking and cancer; Australian Carbon Tax (2010).

smoking is healthy

The Bible also contains conspiracies:

·Israel betrayed their covenant with God and turned aside to idols.

"And the LORD said unto me. A conspiracy is found among the men of Judah, and among the inhabitants of Jerusalem." Jeremiah 11.9. AV

•The Pharisees plot to kill Jesus after he raised Lazarus from the dead.

"Then from that day forth they took counsel together for to put him to death." John 11.53

Perhaps the greatest conspiracy is called the 'New World Order', a plan of a society called the Illuminati, founded in 1776 by Jesuit-trained Law Professor Adam Weishaupt. Its five-pillars were to abolish: (i) Monarchies and all ordered governments (ii) Private property and inheritance (iii) Patriotism and Nationalism (iv) Family life and the institution of marriage (v) All religion.

Various people in modern times have desired to draw together economic activity, military power and religion under a one world government. Use of this phrase has become louder and more frequent in modern times1:

"Countless people...will hate the new world order, be rendered unhappy by frustration of their passions and ambitions through its advent and will die protesting against it." H.G. Wells, New World Order, 1940, p. 111

"We shall have World Government, whether or not we like it. The only question is whether World Government will be achieved by conquest or consent." James Paul Warburg (1896-1969. banker and 'father' of the U.S. Federal Reserve). United States Senate address. 17/2/1950

"...We are on the verge of a global transformation. All we need is the right major crisis and the nations will accept the New World Order." David R. Rockefeller (1915-, billionaire banker, CFR chairman, Trilateral Commission founder, Bilderberg member and Member Advisor), 23/9/1994 Perhaps World Dictatorship will usher in utopia? History suggests it will at best be a fool's paradise, at worst hell on earth. In 1887, Lord Acton said: "Power tends to corrupt and absolute nower corrupts absolutely " 20^{th} century democide² figures hear this out³.

absolute power corrupts absolutery				20 centary demociae rigares bear this out :

A global dictatorship has potential for qlobal democide which would make the above death tolls pale in comparison. Since 1992, the UN has propagandised 'sustainable development' and its corollary population 'policy'. Today's consumption patterns are labelled 'unsustainable', placing severe stress on the planet with drastic action needed.4

Population control is rooted in eugenics-the 1st World Population Conference in 1927 was dreamt up by Darwinist Margaret Sanger. She thought Aborigines were a bit above chimps and Negros were 'human weeds'5. Since 1954 (in Rome) conferences are held under the UN. Policy usually boils down to killing babies (i.e. the euphemism 'family planning') as they don't grow up into resource users. Small populations are also far easier to govern.

In 1980, Georgia, U.S., an occult stone monument was erected containing ten commandments. #10 sees man as

a cancer, #2 is eugenics redux and #1 puts a 'sustainable' world population at only 500M. To achieve any new world order would require vast power and resources. Three areas cover these requirements: money, politics and religion. Each of these prongs forms a trident weapon wielded against the God of the Bible and His desire for mankind:

"Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the LORD...saying, Let us break their bands asunder, and cast away their cords from us." Psalm 2.1-3

"A feast is made for laughter, and wine maketh merry; but **money** answereth all things." Perhaps the most effective tool to control people is money. Own it and all else falls into placeincluding the political process to insure money lenders retain power.

Money used to be something with its own real value: salt, wooden tally sticks⁷ and metal coins (gold, silver, copper). Paper money was created in the Chinese Tang dynasty (618-907AD), used over 650 years it finally collapsed in favour of coin. In Europe, goldsmiths discovered their gold certificate receipts for customers were being used by people as if they were gold-the metal was too risky to carry around! They also discovered more certificates than the gold value could be lent out at usury with nobody knowing. This sin is called fractional reserve banking⁸, the bedrock of every central banking⁹ system today.

Rulers prefer it as not only can money be created at will via computer or printing press, it is debased in secret. From Mayer Amschel Bauer (1743-1812) in Frankfurt, Germany, came the infamous Rothschild empire, now 200 years old and a finance arm of the new world order:

"Let me issue and control a nation's money and I care not who makes its laws."

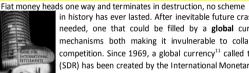

A fiat money system (left) is very complex: the money comes from nothing, it creates an invisible tax called inflation, and builds a pyramid scheme of perpetual debt (repaying debt extinguishes the

If a person kept one Australian dollar under their mattress from 1966 (when they first circulated), by 2014 it would only be worth 8 cents!10 This means 92% has been stolen by banks and the government. States around the world play the same trick, continuously siphoning wealth from the people. Jesus knew the evil of money lenders:

"And Jesus went into the temple of God, and cast out all them that sold and bought in the temple, and overthrew the tables of the moneychangers, and the seats of them that sold doves." Matthew 21.12

in history has ever lasted. After inevitable future crashes a new option will be needed, one that could be filled by a global currency. This would need mechanisms both making it invulnerable to collapse and preventing any competition. Since 1969, a global currency¹¹ called the Special Drawing Right (SDR) has been created by the International Monetary Fund, which is part of a World Central Bank (or globalised super ponzi scheme).

Two thousand years ago, when electricity, computers and speed-of light communication hadn't been dreamt of, God foretold a time when such technologies would make sense. A compulsory, cashless universal medium of exchange must be implemented for a new world order, and is moving closer to reality each day:

"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name, " Revelation 13.16-17

Hearsay evidence echoing such a plan came from the late filmmaker Aaron Russo (1943-2007). In a claimed October 2000 meeting with his former friend Nicolas Rockefeller (who invited him to join the CFR¹²), Russo commented: "The whole agenda is to create a one world government, where everybody has an RFID chip implanted in them, all money is to be in those chips...they can take out whatever they want whenever they want to...and if you're protesting what they're doing they can just turn off your chip...you can't buy food...you can't do anything."13 Today's communist banking system now finds itself in the position of Caesar of

Rome-Jesus said: "bring me a penny, that I may see it. And they brought it. And he saith unto them. Whose is this image and superscription? And they said unto him, Caesar's. And Jesus answering said unto them, Render to Caesar the things that are Caesar's, and to God the things that are God's..." Mark 12.15h-17

Six main Illuminati-like institutions exert great political influence over world leaders: (i) Royal Institute of International Affairs/Chatham House

A British group established 1920 after WWI, its mission is to advise leaders on prosperity and security, the modern mantra of the world:

"For when they shall say, Peace and safety, then sudden destruction cometh upon them. as travail upon a woman with child; and they shall not escape." I Thessalonians 5.3 As at 30 June 2013, Chatham House boasts: 29 Senior Advisers (inc. ex Prime Minister

Kevin Rudd, 16 Partners (inc. U.K. Defence Ministry), 25 Major Project Sponsors (inc. Rockefeller Foundation). 80 Research Supporters (inc. U.S. Government). 58 Major Corporate Members (inc. British Army), 277 Corporate Members (inc. Australian High Commission), 93 individual and corporate Annual Fund Donors (inc. Turkish Embassy), 14 The core principle of the organisation's meetings is secrecy, or the 'Chatham House Rule': "For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come abroad." Luke 8.17

(ii) Council on Foreign Relations

Sister of Chatham House, the CFR was created 1921 in NY, U.S.A. It claims to be an independent, non-partisan group 'helping to better understand the world', and specialises in U.S. foreign policy. However, for nearly 100 years its organ Foreign Affairs has been heavily influencing U.S. foreign policy.

Addressing the CFR on 15/7/2009, former U.S. Scretary of State Hillary Clinton jokingly admitted they dictate U.S. policy15 to the Government. In ten U.S. elections spanning 1952-2012, both party candidates were CFR members.¹⁶ Their logo is a white horseman, like Revelation 6.2, and his latin slogan ubique means 'everywhere'.

(iii) United Nations

3km south of the CFR is the UN, created 1945. Its parent was the failed League of Nations, begun 1919 after WWI but couldn't prevent WWII. The League's preamble had "to secure international peace and security". The UN has 193 members, including Australia¹⁷ who is joined with states like North occult League logo Korea, Somalia and Syria-currently the top three murderers of Christians 18.

The only non-member state is Vatican City (the Roman Catholic Church). According to Article 1.1 of the UN Charter, its purpose is "to maintain international **peace** and **security**". The League/UN is rich in occultism: The League logo is a pentagram, pentacle and pentagon; the UN logo symbolises victory [wreath] over the world [map] by witchcraft [8-spoked

witches wheel]; UN Headquarters sit on 18 [6+6+6] acres¹⁹ of land (donated by the Rockefeller family) which since 1795 was the largest animal slaughterhouse in New York: the Tower of the Secretariat building faces eastward²⁰, has 39 (13 X 3) stories, contains a trapezoidal²¹ temple with a 13,000 pound iron²² ore altar dedicated to the [Masonic] god; and since 1989 has had Lucis Trust (formerly Lucifer Publishing Company)

as a consulting Economic and Social affairs NGO!23

(iv) Bilderberger Group

Named after the Hotel of their first meeting on May 29, 1954. Up to 150 European and North American leaders meet annually to discuss 'major issues facing the world'. Chatham House Rule applies and [Bilderberg-owned] media

do not cover meetings: "We are grateful to the Washington Post [et al]... and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity..."

David Rockefeller, 1991 Bilderberg Meeting, Baden, Germany.

(v) Club of Rome

Begun 1968 in Rome, the Club is a group of 'independent long-term thinkers'. Famous for their 1972 work Limits to Growth (which implied oil would run out by 1992), also their 1973 report Regionalised and Adaptive Model of the

System, which models a new world order as ten²⁴ kingdoms. [see cover]

(vi) Trilateral Commission

Founded 1973 by David Rockefeller to bring North America, Europe and Japan together, it now has 390 members. It says 'world peace and security are still to be given a lasting basis¹²⁵. Their logo is a triple-6 converging at the apex of a pyramid.

The glue for any world order is religion, but how to unite groups with irreconcilable

differences, even hatred? Written 90AD on the Isle of Patmos, John's Apocalypse reveals a woman, a spiritual whore, driving a beast-system on its path to world domination:

"Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters: With whom the kings of the earth have committed fornication...And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth...And the woman which thou sawest is that great city, which reigneth over the kings of the earth."26

Over 1.924 years, history has told who the woman is, Since 753BC, Rome has grown in power through Kingdom (to 300BC), Republic (to 44BC) then Empire (to 313AD). At this time Pontifex Maximus Constantine I, a pagan sun worshipper, departed East founding Constantinople and the Eastern Empire. Into the vacuum stepped the Bishop of Rome, ruling as Pope and King over Rome and the Papal States (to 1870AD). After a brief intermission Mussolini the Fascist reinstated Vatican City to the Pope in 1929

where he reigns to this day. Pope and Cardinals (Magisterium) simply replaced Caesar and Senate (Curia Romana), 'Christianising' Pagan Rome, From Vatican City Popes reigned over Kings of Europe-both setting up and dethroning them.

John said the woman *is* that great city, which sits on seven mountains:

"It is within the city of Rome, called the city of seven hills, that the entire area of Vatican State proper is now confined." Catholic Encyclopaedia, Thomas Nelson Publishers, 1976 [word:'Rome'] Vatican City is within Rome, and its literal cathedra (seat) is St. John Lateran Church. This building sits on Caelian Hill and is the self-proclaimed Mother Church of all others. The other six (hills) are: Qurinal, Viminal, Esquiline, Palatine, Aventine, Capitoline, No other city is like it. The Vatican is the only country not a member of the UN, a reminder she rides them. By spiritual authority vested in Christ through Peter, she also lays claim over all earthly wealth:

"the Catholic Church ceaselessly and efficaciously seeks for the return of all humanity and all its goods back under her control."27

The emblems of the UN and ancient Rome are no coincidence-Pax Romana ('Roman Peace') will re-form as Pax Orbis ('World Peace') via the UN. Since

Vatican II in 1960, Rome has been working overtime on 'interfaith dialogue':

On October 27, 1986 in Assisi, Italy, Pope John Paul II called the first World Day of Prayer for Peace. Under the 'holy father', 160 religious leaders united in prayer to their various gods: the Dalai Lama, American Indians, Hindus, Sikhs, Zoroastrians, Shintos, Baha'i, Jews and Muslims, The Pope even received the mark of the Hindu God of Death, Shiva, on his forehead.28

Muslims and Catholics worship the same God: "the plan of salvation also includes...Moslems...together with us they adore the one, merciful God".29 On 14/5/1999, in the Vatican, Pope John Paul II kissed the Quran, a book which says: "Allah begets not, nor was he begotten."30 The Pope like all Catholics is required on pain of excommunication to believe the Nicene Creed of 325 AD.

which makes the Quran a lie. It reads in part: "We believe in one Lord, Jesus Christ, the only Son of God, eternally begotten of the Father.... true God from true God...". 31

In March, 2009 Benedict XVI received Chief Rabbis from Israel at Rome to smooth over damage done by Catholic holocaust-deniers.³² From Hitler, the baptised Catholic: "As for the Jews. I am just carrying on with the same policy which the Catholic church has adopted for 1500 years."33

These meetings are smokescreens, spiritual fornication with the gods of this world to position Rome as a defacto leader. Pope Francis is even including atheists amongst the 'redeemed'!³⁴ The last bulwark against Rome is the Holy Bible. With 290+ translations35 and 'updates' over the past 400 years since the 1611 Authorized Version (AV), the English Bible has been corrupted. Apart from making huge amounts of money the many versions have sown fatal distrust and confusion over what the text actually says. The most popular [and Catholic] version today, the NIV (New International Version) even sows the idea of a new world order: "...external regulations applying until the time of the **new order**."³⁶

"Lest Satan should get an advantage of us: for we are not ignorant of his devices." 2 Corinthians 2.11 If only partly true such information is shocking and depressing. Jesus told his disciples c1,980 years ago

"And when ye shall hear of wars and rumours of wars, be ye not troubled:..For nation shall rise against nation, and kingdom against kingdom: and there shall be earthquakes in divers places, and there shall be famines and troubles: these are the beginnings of sorrows." Mark 13.7a,8
