

god of Sikhism ↔ god of this world

Sri Guru Granth Sahib is riddled with occultic references. Contrary to AG.868.1v, God does indeed have an (arch) enemy, Lucifer. He is the One with power over every world religious system including Sikhism, using symbols for their subtily:

AG161.2iii: The 'anahata' (heart) chakra has a hexagram centre, used by witches to curse (hex) victims and summoning a devil.
AG108.1iii: When the 'sahasrara' (1000-petal lotus) crown chakra is energised a false 'Christ consciousness' is gained.
AG1402.4: The Kundalini force is devil-possession, lodged in the spine it manifests as bodily convulsions and sudden jerks as the serpent rises up the body.

AG831.5.977.1: A group of devil-worshippers called the Illuminati exist, named so as they have been 'enlightened' by the 'white light' of Lucifer. In reality, the Angel of Light or one of his minions now possesses the individual¹². His 'great' left eye is always watching mankind - occultists seek to activate their 'third' eye by extending the 'ajna' chakra. The gate is then open to commune with devils.

AG1031.171410: Occultist Eliphas Levi said the 'G' in the Masonic Blazing Star means Grand **Architect** (the pentagram shows 'A' on each side), and Venus as well¹³. The ancient Greeks called this planet Eosphorus,

The God of Heaven or Lucifer.

AG1390.6: The Sar (Gold), Trayta (Silver), Dwaapur (Brass) and Kali (Iron) ages in the adi granth were interpreted from King Nebuchadnezer's dream, by Daniel the Prophet c2000 years **before** Nanak was alive. God revealed the secrets of the Babylonian (head), Medo-Persian (chest/arms), Greek (waist/thighs) and Roman (legs/feet) world empires to him. The sure second coming of the Rock (Jesus) will smash the idol's feet.¹⁴

AG1332.3:1396.2: The Bible marks scarlet and crimson the colour of man's sin, before God washes them clean with His blood.¹⁵ The Whore of Babylon (Roman Catholic church), dressed in scarlet rides the coloured beast as she persecutes the saints, drunk with blood.¹⁶ There is only one with power to shepherd you over the terrifying world ocean, the Lord Jesus Christ. If you come to him in repentance he will make you a son of God:

"Who is he that overcometh the world, but he that believeth that Jesus is the Son of God? This is he that came by water and blood, even Jesus Christ." I John 5.5-6a, AV

A panentheistic¹ religion with one self-created god². All that is: 'shiva' (energy) and shakti' (matter) is illusion ('maya'). The goal is to become 'Gurmukh', escaping the cycle of reincarnation and merging with the 'Naam' where there is no more dualism (separation of the physical and spiritual). The Sikh becomes God³, swallowing the third lie ever told in history, by the devil to Eve:

 "And the serpent said unto the woman, Ye shall not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil." **Genesis 3.4-5, AV**

The divine text (adi granth⁴) was written by seven of the ten Gurus, from 1469 when Guru Nanak was born, till the death of Guru Gobind Singh in 1708. It now stands as the eleventh and immortal 'Guru', literally God incarnate⁵.

Sikhism claims the Islamic and Hindu gods, and the Christian God as its own:

Hinduism: "Brahma, Shiva and Vishnu are manifestations of the one God." **AG908.11**
Islam: "if one is truly a Muslim, then he may be called one. First, let him savour the religion of the Prophet as sweet...Becoming a true Muslim, a disciple of the faith of Mohammed, let him put aside the delusion of death and life...And when, O Nanak, he is merciful to all beings, only then shall he be called a muslim...The Muslim God Allah and the Hindu God Paarbrahm are one and the same." **AG141.7,897.4**

Christianity: "PAUREE: The followers of the Vedas, the Bible and the Koran, standing at Your Door, meditate on You." **AG518.2ii**
 Common sense dictates all can't reveal the same God as they fatally contradict each other. The God of the Bible claims the following, at least 500 years before Mohammed, and 1400 years before Nanak were born:

- I) He Created heaven and the earth in six 24-hour days. 
- II) He destroyed the earth by water (c2400BC⁶), saving only Noah and seven others.
- III) He would be born of a virgin as a man, God in flesh. 
- IV) The Jews would kill him but after 3 days and nights he would resurrect.
- V) He will come again to rule the earth, with an iron rod. 

Of this God, Babylonian King Nebuchadnezer wrote c600BC:
 "Therefore I make a decree, That every people, nation, and language, which speak any thing amiss against the God of Shadrach, Meshach, and Abed-nego, shall be cut in pieces, and their houses shall be made a dunghill: because there is no other God that can deliver after this sort." **Daniel 3.29, AV**

SIN

In the Guru (AG325.2ii) one reads: "Sin and virtue are both the same..." The truth is God already divided good and evil with His Ten Commandments, given to Moses Those confusing the two are warned:

"Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!" **Isaiah 5.20, AV**

Despite best efforts, every Sikh has broken all ten laws: God can read your heart and mind.

While Sikhism claims only the Lord's Name removes sin (AG160.2iv), the following do too: virtuous actions (AG109.5); keeping free of evil (AG1011.6); the 'Saints of God' (AG387.1iv); chanting ('waaho', AG514-515); bathing in the sacred pool of Guru Ram Das (AG624.1ii) and chanting and meditating on Guru Nanak himself (AG152.3iii)! Little reason exists for the Sikh god to regard evil, for he creates evil deeds for men to do (AG1155.4), leads them astray (AG1223.1xi) and causes them to err (AG1344.1).

The Guru is devoid of the one thing which can absolve sin: God's blood. Shed by Jesus on the Cross, nothing else has currency as payment in His eyes.

 "Wherefore Jesus also, that he might sanctify the people with his own blood, suffered without the gate." **Hebrews 13.12, AV**

REINCARNATION

A pillar of Sikhism. Self-willed Manmukhs are condemned to endless reincarnation, Goddess Maya-worshippers will incarnate as women, the arrogant rich as snakes, and the saintly in heaven for a lifetime or the wicked in hell.⁷

Given a universe aged 6015 years⁸, 'millions' of incarnations have not had anywhere near enough time to occur, even if only a fraction were as human beings (AG502.1iii).⁹ By Karmic law people alive today reap what was sown in their last life¹⁰. Regressing back each step to the first lifetime, what sins were brought forward to begin with?

 One thing is certain, all your thoughts and deeds are being recorded for future judgement. Not by Chitar and Gupat, but the only all-knowing being that exists, God.

After death there is only one record you will be interested in: the Lamb's Book of Life. Those without sin have their names written inside, the rest will be resurrected later for judgement. The evidence used for this trial will damn you many times over. Sentence cast will be consignment to the lake of fire for **eternity**¹¹, not reincarnation.

⁷AG78.4; 874.2.iii; 70.5ii; 1003.1vii ⁸Ibid. note #6 ⁹A population of two increasing only 0.33%/yr for 2 million yrs (evolution's conjecture) by now should have grown to 10 multiplied by itself ~2900 times!
