

WORDPLAY

With the production of the Authorized Version in AD1611 came the perfection of English grammar. Despite invention of words driven by new technologies and customs, the structure of language hasn't changed in over four hundred years. Knowing the true meaning of an English word, like 'gay', requires referencing an original standard.

In a modern dictionary under this word is (i) 'having or showing a jovous mood', (ii) 'bright or showy', (iii) 'abounding in social or other pleasures'.²

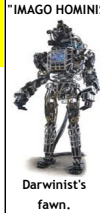

"Now Israel loved Joseph more than all his children, because he was the son of his old age: and he made him a coat of many colours." Genesis 37.3
"For if there come unto your assembly a man with a gold ring, in goodly apparel, and there come in also a poor man in vile raiment; And ye have respect to him that weareth the gay clothing..." James 2.2-3a

The dictionary has used the English Bible for its three meanings around colourful clothing and being in a social atmosphere.

Definitions (iv) and (v) are 'a homosexual, especially male'. Since this only arose in the 1950s there is a written defense². The modern homosexual agenda began with forcefully changing the meaning of a word into today's untrue one.

"And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." Genesis 2.7
In 6,000 years man's best effort at creating life is pitiful compared with the design and creation of himself by God. In the same breath the obvious design of man is mocked, robotic design like 'Atlas' [right] is praised.
God also designed and built a female, Eve, as helper for Adam with the two being able to reproduce together:

"Therefore shall a man leave his father and his mother, and shall cleave unto his wife: and they shall be one flesh." Genesis 2.24

Like a dictionary, this definition rooted in biological design is what 'marriage' is - one man and one woman. This standard excludes one homosexual with another, also polygamy like the Islamic god Allah encourages: "...Marry women of your choice, Two, or three, or four;"⁴

Like a 'New' King James Bible masquerading as a King James Bible, 'new' marriage definitions (e.g. 'marriage equality') attempt to counterfeit true marriage. The conundrum lies in trying to create something that is both equal (one man and one woman) yet new (e.g. two women) at the same time - the solution is insanity.

Those who challenge 'marriage equality' are quickly accused of discrimination. To discriminate is primarily to 'distinguish accurately' so, given marriage is between one man and one woman, Christians correctly judge against what is false:

"Judge not according to the appearance, but judge righteous judgment." John 7.24
Crying 'discrimination' then is an emotion-charged attack which begs the question.

An add-on to the 'discrimination' approach is to equivocate by hijacking the cause of interracial marriage and civil rights', particularly in the United States. Acts of sodomy are being falsely equated with genetic traits of people like skin colour. In the search for relevance sodomites seek a 'free-ride' on this train.

The next word co-opted in the push for sodomy is 'love'-a pure appeal to emotion: "How could loving someone be evil?"

"And Amnon was so vexed, that he fell sick for his sister Tamar...I love Tamar...but, being stronger than she, forced her...Then Amnon hated her exceedingly; so that the hatred wherewith he hated her was greater than the love wherewith he had loved her." II Samuel 13.2ab,4g,14b-d, 15a-b
After Amnon had his way with his sister his 'love', which was not love but lust, immediately turned into a seething hatred. True love is alien to sexual passions:

"Greater love hath no man than this, that a man lay down his life for his friends."⁵
¹At least 90% of Tyndale's text is in the Authorized Version's NT, including 'gay'. ²[gay]: The Macquarie Concise Dictionary Third Edition, Macquarie University, NSW, The Macquarie Library Pty Ltd, 1998, p. 462. ³The definite article is used referring to the King James Bible of 1611 (Pure Cambridge Edition) not other modern counterfeits (e.g. New International Version). ⁴Sura 4.3. ⁵Jesus, John 15.13.

BORN THAT WAY?

If God designed some people homosexual then sodomy would be natural, an idea aimed at destroying the biological design argument. Some do have a genetic code that limits natural desires, for the opposite sex:

"For there are some eunuchs, which were so born from their mother's womb."⁶

Perhaps there is homosexual DNA programming? According to scientist Dr Neil Whitehead, "gays were not born that way."⁷ He reviewed eight major identical twin studies over twenty years (from 1991) and came to the following conclusions:

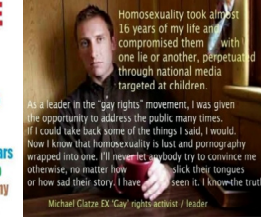

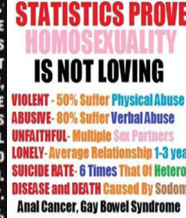

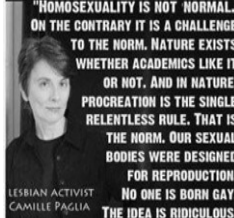

- (i) Probabilities of homosexuality in the male and female twin given one was homosexual were only 11% and 14% respectively. If it were genetic the figure should be close to 100%.
- (ii) Approximately half of the homosexual population switch to heterosexual in their life (about 3% of the total heterosexual population are ex-homosexuals).
- (iii) Changes to heterosexuality were most fluid in adolescents-within a year of a homosexual encounter nearly all had left.
- (iv) 'Non-shared factors' such as pornography exposure, family and school environments is the suggested cause, not genetics.⁸

Homosexuals agree

Social statistics agree

Ex-Homosexuals agree

Despite its plasticity, even Darwin's 'Theory' of Evolution refutes sodomy: any population trait not conferring a survival advantage on offspring would be selected out and a completely homosexual population would be dead in one generation! Observed 'homosexual' behaviour in animals, like cannibalism is abnormal behaviour (cf. narth.org/docs/animalmyth.html)

On population statistics the mantra for over sixty years has been 10% are homosexual (the figure in the UK is 1.6%).

This was based on notorious sodomite Alfred Kinsey's work who said 95% of his 9,000-man sample were sex offenders.¹⁰ Kinsey also published 'Table 34' as 'scientific' evidence children experience sexual arousal before age five. To collect this data he worked with paedophiles!

"And whosoever shall offend one of these little ones that believe in me, it is better for him that a millstone were hanged about his neck, and he were cast into the sea."¹¹

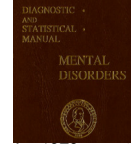

The legacy of Kinsey and his work include: the lie children are sexual from birth; that sodomy is normal; sexual revolution of the 60s and 70s; weakening of sexual deviancy laws; modern day sex 'education' for young children. His 1948 book *The Kinsey Report* is listed as the fourth most harmful of the 19-20thC, after *The Communist Manifesto*, *Mein Kampf*, and *Quotations from Chairman Mao*¹². The spiritual force behind sodomy is the same as that of satanist-paedophile Aleister Crowley, whose *own mother* called him "The Great Beast of Revelation whose number is 666". Kinsey even made a pilgrimage [above left] with fellow sodomite Kenneth Anger to Crowley's temple of evil in Cefalu, Sicily.

PRIDE WITH PREJUDICE

Before 1973, medicine recognised sodomy as a form of mental illness where natural usage of the sexual organs had become corrupted. Treatment was sought to correct urges and society had laws and programs to discourage them.¹³

Psychiatry's 'Bible' the DSM ('Diagnostic and Statistical Manual') came out in 1952. Code 320.6.036 was Homosexuality:

036 Homosexuality (320.6)
In the 2nd edition of March, 1968, the diagnosis still held:
302 Sexual deviations
302.0 Homosexuality
This category is for individuals whose sexual interests are directed primarily toward objects other than people of the opposite sex.
302.1 Fetishism
302.2 Pedophilia

In 1970, an intimidation campaign by homosexuals was launched against the American Psychiatry Association (APA) to re-define their behaviour as normal.¹⁴ Due to Gestapo-like pressure the Psychiatry profession caved and overnight what was a mental illness suddenly became normal:

Since the last printing of this Manual, the trustees of the American Psychiatric Association, in December 1973, voted to eliminate Homosexuality per se as a mental disorder [left] the 'science' of psychiatry is reduced to a majority vote!

302.0 Sexual orientation disturbance [Homosexuality] Homosexuality per se is [right] now just one form of sexual behavior, and with other forms of sexual behavior which are not by themselves psychiatric disorders, are not listed in this nomenclature.

"O Timothy, keep that which is committed to thy trust, avoiding profane and vain babblings, and oppositions of science falsely so called:" I Timothy 6.20

Most believe political action behind sodomy was driven by love, tolerance and peaceful protest, however, the true nature is on the surface for all to see: "Straights must be frightened into it. Terrorized into it. Fear is the most powerful motivator. No one will give us what we deserve. Rights are not given they are taken, by force if necessary. It is easier to fight when you know who your enemy is. Straight people are your enemy."¹⁵

The cardinal virtues of 'modern' society are tolerance and diversity. All must tolerate the 'diversity' of sodomy, or else!

One group, *National Association for Research and Therapy of Homosexuality* (NARTH) provides an evidence-based secular service for those seeking to get rid of unwanted homosexual desires. As a threat to the homosexual movement's ideology (that one is born gay and cannot change) laws have been enacted (e.g. in California) to criminalise any such therapy on under 18s:

"Under no circumstances shall a mental health provider engage in sexual orientation change efforts with a patient under 18 years."¹⁶

With the exultation of 'diversity', anti-sodomy views can be labelled hate speech. Sodomy advocates see the law as a weapon to push their agenda, as in the UK with their *Public Order Act 1984*. According to chapter 64, section 4A (3)b:

"it is a defence for the accused to prove that his conduct was reasonable."¹⁷
This moves the onus towards the accused to prove their conduct was 'reasonable'. Police have made a few arrests¹⁸ to 'test the waters' and create a 'chilling effect'.

Cake Wars

Homosexuals have concurrently gone the discrimination route by targeting Christian businesses. In November 2014, the 'Equality Commission for Northern Ireland threatened legal action against Ashers Baking Co. for refusing to bake a cake with 'Bert and Ernie' arm in arm, and a slogan 'support gay marriage'.¹⁹

Recently in the U.S. hypocrisy and double standards of sodomites was exposed when thirteen 'gay' bakeries refused to bake a 'pro-traditional marriage' cake:²⁰

But Jesus perceived their wickedness, and said, Why tempt ye me, ye hypocrites?²¹

DRIVING FORCES

Dark spiritual forces both drive people towards homosexuality and work to promote it. In Western society sodomy was illegal until: 1967 (UK-England and Wales); 1969 (Canada); 1975 (Australia); 1986 (New Zealand); 2003 (US). In the East it was so until 1880 (Japan); 1997 (China) and it remains illegal in India.

In Islamic countries (e.g. Iran, Saudi Arabia) the punishment is usually death: [Muhammad]: "If you find anyone doing as Lot's people did, kill the one who does it, and the one to whom it is done." Sunan Abu Dawood, Book 38, No. 4447²² What caused most of the world's culture to change in the 2nd half of the 20th century? Change takes time but there are those who plan across generations.

German philosopher Georg Hegel proposed an idea ('triad') called the *Hegelian Dialectic*: a radical change introduced to the status quo eventually gives compromise. This can be repeated until a new norm prevails. A variation on this is the 'six-step attitudinal change plan':²³ (i) A respected authority raises the taboo issue (e.g. sodomy), (ii) moral outrage occurs, (iii) the debate itself becomes the debate, (iv) debate dulls the outrage, (v) public shock over the subject no longer registers, (vi) debate switches to how the issue can be achieved outright.

The drive to promote sodomy and 'alternative' lifestyles has undoubtedly been from the West, spearheaded by entertainment. Hollywood movies and television series glorify this behaviour and target young people. Once 'normalised', disgusting practices creep into sex 'education' materials in government schools.²⁴

From the latest generation it looks like the campaign is now paying dividends.²⁵ Even acronyms used have changed (expanded) over time in an attempt to puff up political support bases as much as possible: LG (Lesbian/Gay)-->LGB (+Bisexual)-->LGBT (+Transgender)-->LGBTI (+Intersex)-->LGBTIQ (+Questioning)!

Given its evil nature, a perverse and dangerous underbelly of the sodomy agenda exists-paedophilia. The North American Man boy Love Association was founded in 1978 for this purpose:

[NAMBLA] Q: Do you believe it's possible for a boy and a man to have a close, even sexual relationship, without any harm? A:Yes²⁶.

Groups like NAMBLA have hundred-year old roots in socialist programming. The Fabian Socialist Society, established 1884 has a tortoise emblem to symbolise this slow march. Co-founder Havelock Ellis was a sexual deviant who in 1906

classified paedophilia "an extreme version of normal masculine sexuality". Infamous members include **Luciferian** Annie Besant and socialist John Maynard Keynes [right], founder of 'modern' economic philosophy. Keynes was exposed as a paedophile by his lifetime sodomite partner Lytton Strachey. Strachey hoped their sexual attitudes could be infiltrated, "subtly, through literature, into the bloodstream of the people."²⁷

Arguably the greatest power behind the sodomy movement is Rome, which has 1.2B people under its Pope. Since 1095AD at Piacenza, contrary to scripture all her 'priests' have been forced by demonic tradition into a state of celibacy:

"A bishop then must be blameless, the husband of one wife..." I Timothy 3.2ab
"giving heed to...doctrines of devils...Forbidding to marry." I Timothy 4.1bc,3a

The legacy of this has been: Pope-run brothels²⁸; subterranean tunnels between monasteries and nunneries containing skeletons of murdered babies²⁹; over one-thousand years of paedophile scandal, erupting today with internet and media exposure; a homosexual 'clique' of Cardinals in the Roman Curia pushing homosexuality from the highest level.³⁰

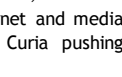

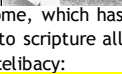

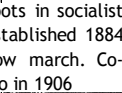

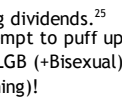

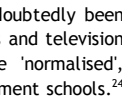

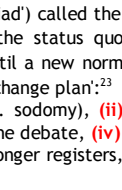

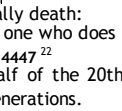

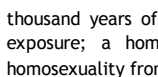

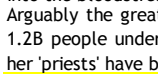

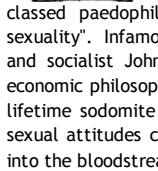

Even investment choices by the Vatican of the faithful's donations bewray covert homosexuality-€20M in an apartment block housing Italy's top 'gay' sauna!³¹

DAYS OF LOT

Jesus gave prophetic warning what would come to pass before his return:

"Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded; But the same day that Lot went out of Sodom it rained fire and brimstone from heaven and destroyed them all." Luke 17.28-29

The picture is a vibrant economy of care-free optimistic citizens completely unaware of impending judgment. When Lot sought to warn his sons-in-law they just laughed at him!

"Up, get you out of this place; for the LORD will destroy this city, But he seemed as one that mocked unto his sons in law." Genesis 19.14e-h

As soon as Lot left Sodom finding refuge in a nearby town Zoar, judgment came: "Then the LORD rained upon Sodom and Gomorrah brimstone and fire from the LORD out of heaven." Genesis 19.24

There was mercy for Lot because he was a righteous man, the *only one* in a whole city. God could not destroy it until he was safe.

Why were Sodom, Gomorrah and the surrounding areas 'nuked'? Homosexual apologists say it was pride and excess of wealth, *not* the sin of sodomy:

"Behold, this was the iniquity of thy sister Sodom, pride, fullness of bread, and abundance of idleness..neither did she strengthen the hand of the poor..."³³

The next verse is usually omitted: "And they were haughty, and committed abomination before me:"³⁴ This abomination was the act of buggery:

"If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death."³⁵ God classes this offence an abomination worthy of death. Eating certain foods (cf. Leviticus 11) is also abomination in God's eyes, but not even close to a death sentence.

The men of Sodom, old and young from every quarter, were so wicked they wanted to rape the male angels God sent to report on their evil: "And they called unto Lot, and said unto him, "Where are the men which came in to thee this night? bring them out unto us, that we may know them." Genesis 19.5

The vicious nature of sodomites was replayed -800 years later, in Gibeah: "Now, as they were making their hearts merry, behold, the men of the city, certain sons of Belial, beset the house round about, and beat at the door...Bring forth the man that came into thine house, that we may know him." Judges 19.22 These sodomites took the man's concubine, raping her all night till she was dead. Kings of Israel also saw sodomites as a threat to the nation so had them exiled:

"And he [King Asa] took away the sodomites out of the land..." I Kings 15.12a

Some argue "that's just the Old Testament God, the New Testament one is different, also Jesus never said anything about homosexuality (so it's ok)".

Jesus actually spoke with Abraham as he pleaded to save Sodom: "And he [Jesus] said, I will not destroy it for ten's sake. And the LORD went his way, as soon as he had left communing with Abraham:" Genesis 18.32ef,33ab

The New Testament is actually filled with warnings about this sin:

Lesbianism: "For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature." Romans 1.26
Sodomy: "And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly," Romans 1.27a-d

Transvestites/Sodomy: "Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators...nor effeminate, nor abusers of themselves with mankind," I Corinthians 6.9

Homosexuality: "Even as Sodom and Gomorrah, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire." Jude 7
The reason for the consistency is due to the eternal, unchanging nature of Christ:

"Jesus Christ the same yesterday, and to day, and for ever." Hebrews 13.8

Fortunately there is hope for any repentant or struggling sinner to find forgiveness and come to know their creator, the Lord Jesus Christ. Homosexuality is a sin that leads to death, but which can be paid for by the blood Christ shed at Calvary, and cleansed by the washing of the water of the word (the Bible). There is no other power strong enough to save you from this death sentence.³⁶
