

JESUS THE HEALER

Drugs are one of many paths that seem harmless and pleasurable in the present, but in the end lead to **death**.

Jesus, the only-begotten Son of God proved He has power to cure physical addictions, diseases and devil possession:

"And always, night and day, he was in the mountains, and in the tombs, crying, and **cutting himself** with stones. But when he saw Jesus afar off, he ran and worshipped him...And all the devils besought him, saying, Send us into the swine, that we may enter into them. And the unclean spirits went out, and entered into the swine:and the herd ran violently down a steep place into the sea," **Mark 5.5-6, 12-13c**

"And, behold, a woman, which was **diseased** with an issue of blood **twelve** years, came behind **him**, and touched the hem of his garment: For she said within herself, If I may but touch his garment, I shall be whole. But Jesus turned him about, and when he saw her, he said, Daughter, be of good comfort; thy faith hath made thee whole. And the woman was made whole from that hour." **Matthew 9.20-22**

His power also extends over the natural universe which He created:

"and there came down a storm of wind on the lake; and they were filled *with water*, and were in jeopardy. And they came to him and awoke him, saying, Master, master, we perish. Then he arose, and rebuked the wind and the raging of the water:

and they ceased and there was a calm. And he said unto them, Where is your faith? And they being afraid wondered, saying one to another, What manner of man is this! for **he commandeth** even the winds and water, **and they obey him**." **Luke 8.23b-25**

Medicine enables us to treat and even cure many ailments, but not death. The only way to conquer this is by faith alone, in Christ alone. He makes this promise to all His disciples:

"But I say unto you, I will not drink henceforth of this fruit of the vine, until that day when I drink it new with you in my Father's kingdom."

Matthew 26.29

Or, you could remain enslaved to a substance ending up damned:

"Nor thieves, nor covetous, nor **drunkards**, nor revilers, nor extortioners, shall inherit the kingdom of God." **1 Corinthians 6.10**

BUT DIDN'T JESUS

TURN WATER INTO WINE ?

BUT DIDN'T JESUS

TURN WATER INTO WINE ?

AND the third day there was a marriage in Cana of Galilee; and the mother of Jesus was there...And when they wanted wine, the mother of Jesus saith unto him, They have no wine. Jesus saith unto her, Woman, what have I to do with thee? mine hour is not yet come. Jesus saith to them, Fill the waterpots with water. And they filled them up to the brim...When the ruler of the feast had tasted the water that was made wine, and knew not whence it was: (but the servants which drew the water knew;)...This beginning of miracles did Jesus in Cana of Galilee, and manifested forth his glory; and his disciples believed on him. **John 2.1, 3-4, 7, 9a, 11**

Jesus did turn water into wine, but did you know there are **two** types?

Saccharine (sugary) liquids of crushed fruits (the *must*), e.g. grapes or dates. The Hebrews would drink it (Hb.*tiyros*, *asiys*, *chemer*, sometimes *yayin*) before fermentation, crushed into the cup (Hb.*dam-henabh*), boiled to a syrup and later watered (Hb.*dbhash*), or pressing out the albumen (skin/seed).

New wine through a controlled fermentation or distillation process till it is alcoholic. Yeast bacteria have been **killed** by the ethanol, both removing nutritional value. **Strong drink** (Hb.*shekar*) is a **poisonous drug**, not food:

It cools and weakens the body, is carcinogenic, leads to tragedy¹ and kills! Many pregnant mothers destroy their baby's life with it (FASD)².

Like all herbs, God gave new wine as a nourishing **food**, which often has medicinal properties. Timothy was told to switch from only water for this reason (acids in new wine are anti-bacterial and anti-viral):

"Drink no longer water, but use a little wine for thy stomach's sake and thine often infirmities." I Timothy 5.23

God **never** approves of alcohol as a natural drink:

"Do not drink **wine** nor **strong drink**, thou, nor thy sons with thee, when ye go into the tabernacle of the congregation, lest ye **die**." **Leviticus 10.9a**

"**WINE** is a mocker, **strong drink** is raging: and whosoever is deceived thereby is not wise."

Proverbs 20.1

"At the last it **biteth** like a serpent, and **stingeth** like an adder. Thine eyes shall behold strange women, and thine heart shall utter perverse things." **Prv. 23.32-33**

Only pain relief is condoned: "Give strong drink unto him that is ready to perish, and wine unto those that be of heavy hearts." **Proverbs 31.6**

Priests could be struck dead by a sip, even new wine was forbidden.

Any person or company claiming these drinks are beneficial is a deceiver.

The drinker poisons their body and mind. Inhibitions are lost leading to foul language and idiocy.

With alcohol prohibited, might other mind-altering drugs be okay to use?

DRUG	EFFECT
Nicotine	A Carcinogenic, toxic poison. Extremely addictive.
Cannabis	D Brain damage to memory and emotional processing regions.
Heroin	D Alzheimer-like ageing of and injury to the brain.
Cocaine	D Constricts blood-vessels in the brain. Causes heart attack.
Ecstasy	I Destroys brain nerve fibres, overheats the body (hyperthermia).
Speed	C Paranoia, destroys brain neurons akin to multiple sclerosis.
Sedatives	T Overdose knife-edge. Dangerous combination with alcohol.
Solvents	I Dissolves brain tissue causing permanent learning disorders.
LSD	I Schizophrenia, severe depression and other psychoses.
Steroids	O Liver damage and kidney failure. Weakens the heart muscle.
Opium	N Heart infection from weak immune system. Collapsed veins.

There is one god, **Satan**, who encourages drug use as it enslaves the body and opens up the mind, a shortcut to demonic possession:

"**I am the Snake** that giveth knowledge...and stir the hearts of men with drunkenness. To worship me take wine and **strange drugs**..."³

The god of this world desires to inflict as much pain as possible, then death to ensure your spirit enters hell. Drugs are perfect for this.

"The thief cometh not, but for to steal, and to kill and to destroy."
John 10.10a

His victims are often found marked in other ways too:

Flesh cutting is an ancient form of Baal (devil) worship practised by the Jews: "but Baal's prophets are four hundred and fifty men...And they cried aloud, and cut themselves after their manner with knives and lancets, till the blood gushed out upon them."
I Kings 18.22b,28

Tattoos deform the body. As neither yourself nor ancestors designed you, or the molecules that make you, property rights to your body are not yours. These belong to God, your designer, creator and sustainer, though you ignore or wish He didn't exist.

"Ye shall not make any cuttings in your flesh for the dead, nor print any marks upon you: I am the LORD." Leviticus 19.28

God knows the misery and suffering drugs cause. This is why born-again Christians, freed from the devil's bondage abstain completely:

"Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world;" Titus 2.12
