

THE WORST OF EXAMPLES A CURSE ON MANKIND PERVERSION OF REVELATION

Unlike Jesus who came with a *metaphorical* sword⁴², Muhammad used a *real* one, leading **twenty-seven** battles and ordering another **seventy** or so. One was to genocide the **Jewish Banu Qurayza** tribe of Medina (his city of refuge!); Muhammad dug trenches in the market there and personally beheaded up to **900** men⁴³.

“To the victor belong the spoils”, and to Muhammad went **one-fifth** of all his war booty, by command of ‘Allah’⁴⁴! While Muslims claim he lived frugally, he had enough money to support eleven wives, black slaves⁴⁵, even a Copt concubine Mary⁴⁶.

Under Islam the godly practice of **adoption** is forbidden, a direct consequence of Muhammad taking **his adopted son Zaid's ‘ex’ wife, Zaynab**⁴⁷. This was when he *already had* six wives! How many millions of orphans has Islam deprived of having parents because of Muhammad’s lust? This also explains why he hated Christians calling themselves ‘sons of God’⁴⁸, which they are by adoption⁴⁹.

Jesus’ life, death, burial, and resurrection fulfilled the promise of **the Messiah** who was to come⁵⁰, the final prophet, and the Koran even calls him “the Messiah”⁵¹! Like a thief, Muhammad arrived 600 years later and tried to steal his mantle, claiming *he* was the final prophet and that Christians were wrong about Jesus.

Yet even the Koran testifies **Jesus was by far greater than Muhammad**. He: was a creator; did miracles; received revelation direct from God the Father⁵² and not some ‘angel’; was unkillable; is now in heaven⁵³; and is mentioned six times more than Muhammad by name.

The reason Islam exists today, and Muslims aren’t Christian, is because Muhammad brought *another gospel*: “Which is not another; but there be some that trouble you, and **would pervert the gospel of Christ**.”⁵⁴

[4]

Who was this man that has changed the lives of billions?

Were his teachings oppressive and did they make the world better?

What is the point of him coming since Jesus already came?

Was he a warlord and a womaniser?

Why was his legacy a new religion if he had the same message?

FALSE PROPHET OF MANKIND

MUHAMMAD
(POISON WAS UPON HIM)

FOREWARNED BY JESUS
UNLIKE MOSES
MOCKERY OF ABRAHAM

LEARN ABOUT THE MOST
NOTORIOUS SO-CALLED
PROPHET IN HISTORY A
QUARTER OF THE WORLD
FOLLOWS, 1,400 YEARS AFTER
HIS DEATH

WHO WAS THIS MAN?

Nobody truly knows! The Koran only mentions “Muhammad” four times¹, his biography is the *Hadith*, which Sahih Bukhari compiled AD 846, *214 years after* his death, and the earliest “Muhammad” numisma has *crosses* on it².

In AD570, ‘Muhammad’ was born as a pagan under the 360 gods of the Meccans. His widower mother Amina died when he was 6, so grandfather, then uncle took over.

Muhammad was meant to be **illiterate**, but somehow worked as a caravan trader for a rich widow Khadija. After a few months they married; some hadith say she got her dad drunk so he would approve³! At 40, he began receiving revelation from a fallen angel ‘Jibreel’ on Mt Hira. This drove him so mad he **almost committed suicide** by jumping off⁴.

Jibreel was quite dumb; the first thing he asked the illiterate Muhammad to do was to *recite*, repeat a message which didn’t yet exist on earth (the Koran). This became surah number 1, but **Muslims changed their book** to make it number 96 (Al-Alaq)!

Muhammad then received ‘messages’, often accompanied by a [satanic!] bell⁵ for 23 years, though never in the presence of a dog or a wall painting⁶. For the first 13 he was weak so the Koran was less aggressive. However, after he beat the Meccans at Badr in AD624, **the tone changed to one of eternal Jihad** against the kafir⁷.

At age 63, after a long painful illness from eating a poison sheep roasted by a Jewess (he failed to foresee the poison!)⁸, Muhammad died in agony feeling like his aorta was cut! In Q69.44-46, Allah gives a test; if Muhammad was a false man he would have cut his aorta, just like how he died⁹!

Muhammad then was a proven false prophet by his own ‘revelations’, and forewarned by Jesus in Matthew 7.15 (AV): **“Beware of false prophets**, which come to you in sheep’s clothing, but inwardly they are ravening wolves.”

[1]

HIS MESSAGE

Given the Koran is a **hodgepodge of surahs** arranged in order of length (long-to-short), and there is **no historical or background information**, it’s hard to say. The reader is driven to *the Bible*, which is why Muhammad told his followers to go to the Christians¹⁰, despite claiming at the same time they had already **corrupted** the Bible¹¹!

Without the Bible Muslims have no idea: who Adam’s wife was¹²; what his two sons’ names were and who killed whom¹³; who the 12 tribes are¹⁴; Mary’s husband’s name¹⁵; or John Baptist’s mothers name.

Notwithstanding the above, Muhammad claims **two things** in the Koran: **1.** Allah is one being¹⁶, the Creator; **2.** Jesus is *not* the Son of God, never died on the cross, and those who say otherwise are enemies of Allah¹⁷.

On **1.**, Allah is *not* the only creator in the Koran, just the best amongst a group, including Baal¹⁸, and Jesus (who made a bird from clay)¹⁹. The Koran itself is meant to be eternal like Allah, so Islam teaches *two* eternal things exist²⁰.

On **2.**, Allah doesn’t understand the Trinity, saying Jesus and Mary were each gods²¹. The Trinity is **one God of three persons**: Father, Son, and Holy Spirit²², not three gods. **Hundreds saw Jesus crucified (including Apostle John) and resurrected**; why would anyone believe a desert Arab born 600 years later and 770 miles away?

Muhammad is meant to be the final prophet, preaching the **same** God and message of the Bible²³. Yet: the name “Jehovah” Moses revealed is not in the Koran; he **lied** that **Abraham offered up Ishmael** and built the Kaaba; he **rejected blood sacrifice for sin**; he changed marriage **to polygamy** (up to 4 wives²⁴ but unlimited for himself²⁵), and created temporary ‘marriage’ (**Mut’ah**) as short as one hour!

Muhammad brought *different* history and *different* teachings, because he preached a *different* god, “Allah”. This is why both Jews and Christians rejected him, making him angry and vengeful.

[2]

WHY FOLLOW HIM?

Muhammad lived to indulge his own carnal desires, and used his god Allah to grant special privileges not available to others (like unlimited wives and slave girls for sex). **His youngest ‘wife’** (of eleven²⁶) **was Aisha**, daughter of future Caliph Abu Bakr, **whom he ‘married’ when she was six, and had sex with when she was just nine years old**²⁷. In any U.S. state today Muhammad would be convicted as a child rapist²⁸.

Muhammad claimed to be the final prophet, yet all the real ones (except the Baptist) brought miracles as proof, and were able to tell the future. In the Koran, Allah says Muhammad was **nothing but a warner** who doesn’t know the unseen²⁹, nor where he was going after he died!³⁰

Some Muslims claim Muhammad *did* perform miracles, like **splitting the moon in half**³¹! No astronomer in history ever recorded this, nor were any earth-shaking tidal events recorded. On prophecy, he said the Romans after a defeat would be victorious in ‘a few years’³². They were in constant warfare with the Persian Empire making such a prediction hopelessly vague.

The Koran claims no contradictions, thus it must be God’s words. As Atheist Bart Ehrman has said, **‘I’ve had phone books which were inerrant, but I certainly don’t think God wrote them!’**³³.

Yet the Koran has *many* contradictions, it claims: **1.** The Bible is corrupt, but Allah protected his words from corruption³⁴, and he told Muhammad to go to *the Christians*³⁵; **2.** Allah only sends a prophet to his *own* people in their *own* tongue³⁶, yet Muslims claim Muhammad (an Arabic-speaking Arab) was sent to *all mankind*³⁷!; **3.** Muhammad is in the Bible (as the Holy Ghost!)³⁸; **4.** Biologically, sperm comes from the *woman’s rib*³⁹; **5.** The sun sets in a boiling hot pool of muddy water!⁴⁰

Muhammad was a morally bankrupt, prophetically mute non-prophet, who delivered a contradictory book denying the Biblical God, and which claims one of its ‘proofs’ is having chapters unlike any other book⁴¹. There is *no* reason to follow him and *every* reason to reject him!
